**La Jolla TOPSoccer Day is a fun-filled soccer carnival for players with cognitive and/or physical disabilities.** Players from all over Southern California are invited to take part in this special day that includes a variety of soccer activities with a big emphasis on fun. Soccer is an excellent medium for exercise, improving coordination and meeting other players who face the same challenges. **Most importantly, soccer is a sport that all of the players have the ability to excel at while having fun.**

Players and volunteers will receive a t-shirt, food and drinks, and a special medal for their participation. Volunteers' community service will be honored too. We hope that you will join us for this special event.
